No. 32/3/IDSP/20/8053-75

Dated: 10/07/20

Subject: Regarding reconstitution of District Rapid Response Team (RRT).

Please refer to the subject cited above.

A demi-official letter has been received from Sh. Lav Agarwal, Joint Secretary, MoH&FW, Delhi dated 08.04.2020 vide which it has been informed that there is substantial rise in number of positive cases of COVID-19 in various States. Considering the complexity of COVID-19 pandemic, it is imperative that all Health agencies (Govt. & Private) should join hands together for supporting Public Health measures being implemented and accordingly, medical colleges be involved in constitution of RRTs at the district level.

In view of above, you are requested to reconstitute your District RRTs by including public health professionals posted in your district. Further you are requested to coordinate with Medical Colleges earmarked for your district vide letter no PCCM/20/357 dated 09.04.2020 to involve the experts/professionals from these institutions to provide the technical guidance & support to your District.

Further apart from these experts from Medical colleges, all the officers, who are part of the Committees constituted for Management of COVID-19 in the districts, in compliance to instructions issued vide letter no 32/3-IDSP/2020/897-905, dated 12.03.2020, may also be included in District RRT.

The major activities of the RRTs will be as under:

1. Supporting the District RRT in surveillance.
2. Assist District in contingency planning for surge in COVID-19 cases.
3. In case of containment measures, RRT will:
 - a. Do listing of cases, contacts and their mapping. This will help in deciding the perimeter of action.
 - b. Help the District administration in mapping the Containment Zone.
 - c. Review all cases of ILI/SARI.
 - d. Provide aggregate data on daily basis regarding COVID-19 cases.
