No. 32/3/IDSP/20/1347-69

Dated: 18/3/20

Subject: Measures to decrease crowd at Government Hospitals to prevent spread of COVID-19

With reference to the subject cited above.

In view of the prevailing situation of COVID-19 and steps being taken to prevent mass gathering and promote social distancing, it is exigent that some measures may also be taken to decrease crowd at Hospitals to prevent the transmission of COVID-19.

Following measures be undertaken immediately in all Hospitals to manage COVID-19:

- Elective surgeries including dental procedures may be postponed till 31st March 2020, to the extent possible.
- No registration for Revisits of Patients till 31st March 2020. Revisits of patients may not be advised by doctors, if not necessarily required.
- For chronic disease patients, at least 30 days medicines may be provided/ advised, wherever possible.
- Do micro-planning of all Departments of hospital to decrease rush in hospitals.
- Regular/periodic announcements on public address systems to urge patients to come to hospitals in case of real necessity.
- Announcements for safe distancing in OPDs and general awareness about COVID-19.
- Isolation facilities be increased, at least 100 beds strength in the District.
- Line-listing of retired doctors and medical/paramedical personnel be prepared and counseling of these identified persons be done so that in emergency, their services may be utilized for management of COVID-19 cases.

You are further directed to get these measures implemented in private hospitals also, to the extent possible.
