Dated: 23/03/2020

Subject: Identification of Case Management Facilities in all Public/Private Hospitals for COVID-19 cases

With reference to the subject cited above.

In view of evolving situation of COVID-19 and reporting of about 12 confirmed cases of COVID-19 in the State, it is apprehended that more cases may be reported in the State in coming days, especially in NCR areas.

It is of utmost importance that adequate case management facilities is available in the State in both public and private health facilities. Along with public health facilities, private facilities should also be kept ready.

Therefore, you are directed to ensure that at least 25% of bed capacity of all public/private hospitals is dedicated for COVID-19 cases with adequate availability of Human Resource and Logistics (Drugs, Consumables, ICUsetc.).
