Date: 24-06-2020

**Subject: Regarding Strict Implementation of Guidelines for Home Isolation.**

In reference to the subject cited above, in the continuation of revised guidelines Letter No. 32/3-IDSP-2020/3725-66 dated 17.06.2020 issued by the Health Department regarding Home Isolation, a D.O. letter has been received on dated 22.06.2020, vide letter No. Z-28015/148/2020-EMR dated 19-06-2020 from MoHFW, New Delhi, vide which it has been mentioned that

There have been instances where in Home Isolation is being allowed in routine in certain affected area without keeping pre requisite measures in consideration, which in long run leads to spread of disease within family members and neighbors. So, guidelines issued in regard to Home Isolation is to be implemented strictly.

1. The treating doctor should ensure that the patient whom home isolation is allowed should be based on both his/her medical assessment and assessment of his/her residential accommodation. There is also an undertaking that the patient has to give to the doctor.
2. All cases of home isolation shall be monitored by teams of well-oriented doctors on a regular basis, their discharge should follow the required guidelines and shall be reported as per norms.
3. The Home Isolation Booklet and Arogya Setu App must be distributed and installed in mobiles of each Home Isolation patient and care giver.
4. In this context it is requested to ensure strict implementation of the guidelines on home isolation at the field level especially, in urban congested settlements (Urban Slums), It is directed to review these issues and make sure the strict implementation of Home Isolation guidelines.
